Training Area Bivouac Type of Training Date/Time Date/Time Number of Pyrotechnic Use
or Facility Coordinates to Occupy to Clear Personnel Planned?
c. Aviation requirements: (See FAPH REG 95-2)
Subject Unit Data
Date/Time of Use
LZ's Requested / Give PZ grids
Type and Number of Aircraft
Flight Training Areas Requested (LIST HERE)
Airfield/Heliport Requested
Airfield Tower Requested Unit Providing Aviation Support
(Include Operations POC/Phone Number)
(morace operations i ook nome interior)
Will Refueling be Required? Where?

d. Airborne Operations. (SOP and Keys for DZ must be picked up from Training Support Div., Bldg. #PO1252 prior to use. (See paragraph 4-20, FAPH REG 350-1)

prior to 400. (000 paragraps: 120, 174 111120 000 1)	
Subject	Unit Data
Type and Number of Aircraft	
Altitude of Jump	
Number of Jumpers/Equipment Drop	
Static Line or HALO	
Name of DZSO/Phone Number	
Frequencies to be Used	
Date/Time of Jump. (Risk Assessment must be provided	
to Range & Training prior to jump. List TOTs.)	
NOTAM Submitted/Complete (Explain)	
Fixed Wing Touch-N-Go's or Landings	

e. Training aids/devices (TSC) and audiovisual equipment (MILES, etc) (See para. 3-8 and 4-23, FAPH REG 350-1)

Equipment Required	Pickup Date	Return Date	Quantity

6. Request the following <u>Logistical Support</u>:

a. Campsite Requirements. (See paragraph 5-15 and Appendix D, FAPH REG 350-1).

(9 1 11 , , ,
(1) Number of officers to be billeted	
(2) Number of EM (males) to be billeted	
(3) Number of EW (females) to be billeted	
(4) BOQ Rooms Required (total number)	
(5) Admin Room required	
(6) Arms Room required	
(7) Classroom required	
(8) Maintenance area required	
(9) Campsite Requested (First Choice)	
(10) Campsite Requested (Second Choice)	

b. Troop Feeding Requirements: (All must be coordinated & approved by Campsite Manager)

	•		
	Yes or No?	Date(s) Required	Details (feeding strength)
DFAC Requested for Organic Cooks			
Catering Assistance Required			Location:
MKT Field Mess			Location:
Drawing from FAPH TISA			
Bringing Own Food			
(subject to FAPH inspection)			
Need Reefer (at Wilcox)			Cold or Frozen or Both

c. Property Book Office (PBO):

Item	Quantity	Location(s) to be Used (provide 6-digit grid)	Date(s) Required
Request			
Contracted Latrines			
Grey Water Tanks			
Is PBO turn-in or issu	e required after no	rmal duty hours (M-F 0730 to 1530) or weeke	end?

d. Ammunition Supply Point (ASP): (Unit must request ammunition and explosives (A&E) electronically through TAMIS-R IAW AR 5-13. DA Forms 581 must be submitted to the DPTMS training ammunition manager no less than 30 days of the date the material is required IAW FAPH Reg 350-1.

	Yes or No	Draw Date	Turn-in Date	Details
Drawing from FAPH				
Transporting Ammo to FAPH				Ammo Lot #'s must be checked by ASP.
Is A&E turn-in or issue required after normal duty hours (M-F 0730 to 1530) or weekend?				

e. Petroleum, Oil, & Lubricants (POL): (See paragraph 3-13 and 5-6, FAPH REG 350-1).

	MOGAS	DIESEL	JP8
Number of Gallons:			
Will alternate fuel point location be required (Wilcox, Rodes, Archer, Cooke, Pender, Heth)?			
Please give details?			
Will refueling be required after normal duty hours or weekend?			

f. Transportation Motor Pool (TMP): (Limited assets are on an "as available" basis. Current Defensive Driving Course (DDC) card and Drivers License required.)

Type Vehicle Required	Number Required	Dates	Remarks
Water Buffalo:			Location:
Will vehicle issue/turn in be required after	normal duty hours of	or weekend?	

g. Communications Support (DOIM): (See Chapter 7, FAPH REG 350-1).

g. communications cappent (2	•). (555 Shapter 1, 17 tt 11 112 555 1).
Subject	Data
Radio Frequencies: List number, type,	
and range of frequencies requested.	
Telephone Requirements: List # of	
lines, class, and location.	
Network/E mail Requirements:	
List # of lines/location.	
FAX Support Requested	
(number and location):	
Copiers (number and location):	
Will Communication Support be required	after normal duty hours or weekend?

h. Law Enforcement/Security Requirements:

Subject	Data
Convoy Information: number/types of vehicles	
Aircraft Type:	
Classified Material/Equipment:	
Type/Location on FAPH	
Special Requirements:	
Convoy escort/Security Requirements	
Necessity of Ammunition Storage in FAPH	
Ammunition Supply Point/ Ammunition Holding	
Pins (Type/ Quantity)
